Beaver County BOOM! Backer:

On behalf of Beaver County BOOM! Committee and PUSH BC Corp., I want to wish you and your business a very successful 2017!

Despite Beaver County BOOM! 2017 being months away, the committee has been working diligently since last year's great event in making this year's firework production incredibly unique for our community. The BOOM! committee, along with our partners and promoters, have a wonderful "KICKOFF TO SUMMER" signature Zambelli Fireworks display in store for all of Beaver County to enjoy and we want to take this opportunity, in advance, to thank you for your continuing support in such a visible event.

Once again, we are rolling out an exciting marketing and advertising campaign offered by our media partners that includes the Beaver County Times, local radio stations (1230 MBVP and 1460 WMBA), billboards, and several online advertising mediums to make your business name even more visible than before. The goal of Beaver County BOOM! is to, not only provide Beaver County with one of the largest firework productions in Pennsylvania, but to offer our sponsors, supporters, and partners with a tangible, visible, and aggressive advertising campaign that benefits their business. Speaking of benefits, this year's event benefits Beaver County Flags Across America. Proceeds from this event will be used to help purchase American flags and to maintain the flag plaza in Rochester.

The committee continues to look for new and innovative ways of advertising, not just the production itself, but aggressively supporting the wonderful sponsors and partners who are crucial in making this production a reality. We look for impressive growth and production, once again, for year number seven.

Those who saw last year's display, witnessed an incredibly powerful show filled with dynamic choreography, memorable music, and an intense amount of firework shells. The committee is preparing for further growth this year, however, we need your help to do it!

We are proud to announce that Beaver County BOOM! 2017 will launch from the confluence of the Beaver and Ohio Rivers on Saturday, June 24th at 9:45 PM EDT. Mark your calendars today!

Please find enclosed information on how to make Beaver County BOOM! work for you and your business. If you have any questions about sponsorship levels, the advertising campaign, or the event itself, please do not hesitate to contact me at (724) 601-0372.

The Beaver County BOOM! Committee and I sincerely thank you for your support!

Sincerely,

Mark Kopsack
