

What makes the
Vine of the Valley Wine Festival
so special?

Here are
3 BIG REASONS...

Vine of the Valley
WINE FESTIVAL

#1: Chippewa Township, Pennsylvania, is a thriving, beautiful community with convenient, easy access from every direction...

#2: Wine Events are a blast. We've chosen a great time of year to host the event... (ok, that's actually 2 reasons)

JULY 29, 2017

#3: Together, PUSH Beaver County and the BLACKHAWK BUSINESS ASSOCIATION are focused on building solid relationships and hosting an amazing local event for all wine festival participants...

Come see how we work together.
