Dear Potential Entertainer/s:

It's that time of year to start planning for the 45th Annual Beaver County Maple Syrup & Musci Festival. The upcoming festival will be held on **Saturday, 12 April 2025**, and **Sunday, 13 April 2025**. As you are aware, the festival is one of Beaver County's first major events of the year and is usually one of its largest.

Festival organizers seek a variety of music or cover bands. All genres and band types will be considered. Completing the application does not guarantee participation. Applicants will be contacted by Saturday, 1 March 2025, or earlier, to discuss and confirm details and arrangements. Time slots are limited, and bands will need to be able to perform between 45 minutes to 2 hours based on festival needs.

We will accept preferences on a **first-come, first-served** basis. As always, we will work with those groups who may have a conflict with scheduling a performance time. Keep in mind that you may perform both days of the festival, and not necessarily at the same times.

Applicants cannot be guaranteed their preferred time slot; but we will try to accommodate your request.

Bands will need to have their performance equipment. The sound system and sound engineering is provided by the festival.

Please return the attached form to: maple.entertainment@pushbeavercounty.org, no later than: Saturday, 1 March 2025.

We look forward to working with you and having you perform in 2025's festival to make it another success. Should you have any comments, questions or concerns, or wish to recommend a new act to join us in 2025, please leave a voice mail at **(855) 787-4221** or email us at **maple.entertainment@pushbeavercounty.org**.

Sincerely,

**PUSH BC CORPORATION dba
