As we celebrate Beaver County BOOM! in 2026, this year's event holds even greater significance as our nation marks the **250th anniversary of the founding of the United States**. Beaver County BOOM! is proud to be part of the America250PA commemoration, honoring our country's history, heritage, and enduring spirit of community. This milestone provides a special opportunity for businesses and organizations to align their support with a once-in-a-generation national celebration of patriotism, unity, and pride.

PUSH Beaver County thanks you, once again, for joining together with so many local businesses, municipalities, and our wonderful County (Tourism Department and the Board of Commissioners) to make something HUGE happen right here in our beautiful backyard. We cannot do it without you!

The goal of Beaver County BOOM!, as always, is to not only provide Beaver County with one of the largest fireworks productions in the United States, but to offer our sponsors, supporters, and partners with a tangible, visible, and aggressive advertising campaign that benefits their business. As always, PUSH Beaver County wants everyone involved in Beaver County BOOM! to win and to win BIG!

Directors

The Beaver County BOOM! advertising campaign includes online advertising on our social media platforms and promoting your business name on our local radio stations via St. Barnabas Broadcasting and Beaver County Radio. The higher the level of sponsorship, the more exposure your business receives.
